Please join us as Region 4 Administrator, Jimmy Palmer, provides an in-depth assessment of current and proposed federal regulations affecting the growth and development industry.

Discussion topics will include:

- What are the current regulations EPA's jurisdiction under the Clean Water Act?
- What are the implications of the Clean Water Restoration Act of 2007?
- Can we expect changes in 2008 or 2009 permits?
- How are they different from current NWP's?
- What can I expect when working with EPA?
- What resources are available to ensure compliance?

Featuring

Jimmy Palmer
Regional Administrator
