# Building a Strong Foundation

WHERE HOUSING & INFRASTRUCTURE MEET

**WITH EMCEE DOUG HOOKER**

Hear from 15+ speakers, including a local Mayors and County Chairs, a BRT success story, housing innovation experts, a office conversion case study, an ARC update, and much more on August 9th.

We know traditional infrastructure when we see it, but housing isn't always likened to it. But just like roads, bridges, sewers, power lines, and networks, housing is part of the fabric of a successful economy. What happens when we think about housing AS a kind of infrastructure?

**Join us August 9 to explore #TheINTERSECTION of Housing & Infrastructure.**
